

13 Business Ideas Generating Machines: A Lot of Entrepreneurial Business Ideas from Each Machine (Paperback)

By Salehe a Nantembelele

Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Have you ever thought that you can just pay a visit to Universities and colleges and ask for reports of recent business opportunities in your country or region and get them within an hour? Have you ever thought that you can visit your bank and tell loan officer that you want to take a loan and start a business but you do not have any plan and then ask them to help you with some plans and get them within an hour? May be not. Now you know two places where you can get full plan and some has been researched by university professors. You know that you can get many products and services from one machine (university report). Also you can get many plans from your bank. Do not waste your time, get inside the book and find out both 13 ways with one bonus way to get a log of business ideas. This book is one of the shortest book at Amazon in term of pages. It is only 24 pages long. Surprised? Don't be. This is because the...
