When you look at your Christmas tree, which ornaments stand out the most? Chances are it s those that were handmade, either by you or by a loved one. The best things about handmade ornaments are the memories that come with them - there is nothing better than reminiscing about past holidays spent with loved ones. This year, why not create more memories by hand-making the ornaments in this book? You can make them as gifts, or get the whole family involved and spend the afternoon crafting. We ve included a wide variety of 53 designs from traditional to whimsical for the very young to the young at heart, and even a favorite pet. Many of the ornaments are easy to make and can be made in an hour or two using general sewing and craft supplies found in local sewing and craft stores. If you have a stash of scraps, this will be a wonderful way to make good use of these fabrics you have on hand. Don t stop with making Christmas ornaments, you can be creative by using these designs to make gift tags, hot pads, cards, coasters or mug rugs. If you enjoy making ornaments, but your list is small, make ornaments by the batch and sell at a craft bazaar or better yet, bring a smile to someone by giving handmade Christmas ornaments to your favorite charity.
