University of Nevada Press, United States, 2004. Hardback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. This reading of Gary Snyder s book-length poem from its evolution in the mid 1950s to its publication 40 years later traces the work s origins, as well as its themes and structure. It includes references to No drama; East Asian landscape painting; the rhythms of storytelling; chant and song; Jungian archetypal psychology; world mythology; Buddhist philosophy and ritual; Native American traditions; planetary geology; hydrology and ecology. The author examines such personal and cultural influences on Snyder s work as his travels in Asia and his association with the beat movement of the 50s.
