This book is a representation of my thoughts, perceptions, and honest feelings on various subject matters. It serves as a microscopic view into my mind and heart. Some of these writings come from personal experiences, things I ve seen, can relate to, or just my own opinions. I hope this will provide a personal insight into who Abe Lowe IV really is; Very complex, yet simple. W.E.I.R.D. So ride with me as I take you on a roller coaster through my cognitions, exploring emotions from different time frames of my life. There are a few valleys and peaks along this journey. It is my goal that the world today is projected through my eyes. I say what most think, but are afraid to say. Strap in and prepare yourself for departure. ALL ABOARD.
