Createspace, United States, 2011. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****.This is a flexible instruction package that ranges from a single classroom lecture and discussion to multiple and varied sessions. For those with few other rehabilitation or life skills programs, all 7 hours are recommended. For students that have addressed the concept of paradigms or belief systems in other classes, the 1 hour needed for the paradigms class could be omitted or truncated as a review. The Acceptance of Authority class requires some knowledge of paradigms and perception and attempting to sandwich in a few comments on the subject within the existing lesson plan presents too many concepts in a short period. The Grapes of Wrath facilitated discussion builds upon the Acceptance of Authority class, but has general utility for a broad range of other life skill classes. Acceptance of Authority (1 1/2 - 2 hours) The Grapes of Wrath (4 hours) The Power of a Paradigm (Optional 1 hour) This is a lesson plan designed for inmates, youth with discipline problems, and other groups that desire to return to living within the acceptable bounds of law and ethics. Purchase of a single book authorizes that user to reproduce student handouts for his/her use in class. Institutions should purchase one book per instructor.
