Createspace, United States, 2015. Paperback. Book Condition: New. Large Print. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Coloring Books for children is a wonderful activity that encourages children to think in a creative way and arises their curiosity. It is an educational tool and is considered an important contribution to a child s development. Beyond the educational virtues, coloring sessions allow us, the adults, a little peace and quiet while the boy or girl enjoy coloring. Not to mention the result: coloring pages for preschoolers are proudly presented at the nursery, kindergarten or even grandma and grandpa s living room! Eduself Book series include no. practice pages which are set out in easy and fun with clear directions. Each practice page has plenty of space to encourage expression of your child s imagination. Coloring pages do great with the creative and the motorist aspects of your child s development. What else have you done today to develop your preschooler? Coloring pages for kids is one of the most creative and fun activities. Your kids to play with crayons, water colors which keeps them occupied for hours and hours. Modern early education theories stress the importance of providing children with activities they can enjoy and accomplish at their own pace. Eduself Learning Book series have been developed with this in mind. Each book provides an enriching and highly creative learning environment which lays the foundation for formal schooling without the pressure of a formal learning program. The result is children who learn independently in a fun and self-paced fashion, becoming more productive and individually creative.
