Vintage Publishing. Paperback. Book Condition: new. BRAND NEW, Britannia Obscura: Mapping Britain's Hidden Landscapes, Joanne Parker, Longlisted for the 2014 Thwaites Wainwright Prize Britannia Obscura is the untold story of Britain's hidden landscapes. The outline of the British Isles, looking a little like a wingless dragon, is instantly recognisable. But jostling within that familiar profile are countless vying maps of the country. Some of these maps are founded on rock, or on the natural features of the land. But far more are built on dreams - on human activity, effort, and aspiration. From investigations of caves and megaliths to canals and airspace, Joanne Parker reveals a country with countless competing centres and ceaselessly shifting borders - a land where one person's sleepy, unexceptional province will always be the busy heart of another's map. Britannia Obscura opens our eyes to the infinitely layered, rich and surprising landscape of a very large small island.
