

The Turnkey Publisher's Audio Publishing Handbook: How to Create Self-Publish Profitable Audio Books Audio Programs Without Any Help from Publishers or Recording Studios!

By Matthew S Chan

Ascend Beyond Publishing, United States, 2009. Paperback. Book Condition: New. 228 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. LEARN THE SECRETS OF AUDIO PUBLISHING TRADITIONAL PUBLISHERS HAVE NOT YET DISCOVERED! For decades, writing and publishing a book has been the traditional path for anyone who wanted the prestige, credibility, and distinction of being an author. The rising popularity of audio books and audio programs have provided unprecedented opportunities to become an author by writing and publishing your own audio books and audio programs. Traditional publishers continue to produce boring audio books by hiring voice talent to read words from books into a microphone. However, entrepreneurial publishers have broken with tradition. They create dynamic, innovative audio programs by producing unconventional, exciting, entertaining, and educational audio content and sell them for high profits. SHARE YOUR KNOWLEDGE EXPERIENCE IN A WAY WRITING BOOKS CANNOT CONVEY! Writing, recording, and publishing an audio program is often much quicker than writing and publishing a traditional book. With today's audio publishing technology, it has never been easier for you to become a publisher and author of your own audio programs. Directly share your knowledge, experience, and wisdom in a...
