The Strategic Prepper: (FREE Bonus Included) 20 Survival Lessons Of Cheap Bugout Proof Prepping Have you thought about preparing for a disaster? If you have but have not yet started then it is highly likely that you are thinking it is just too expensive. Fortunately this is not the case! There are many things which you can do to prepare for when SHTF without having to blow, your monthly or yearly salary! In fact, the best preppers will adapt their weekly spends to ensure that a little is spent on prepping every week. There are two benefits to this: Consistency By completing the process every week you will constantly be building your supplies and extending the amount of time you can survive. It will become effortless as you will not even need to think about it! Cost By adding just a few dollars to your weekly budget you can afford to prepare for bug out proof prepping. It is a...
