Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****.Certains hauts responsables du renseignement militaire americain pensent que le Mossad est particulierement impitoyable et retors. Pour eux, il s agit d un fauve echappe de sa cage, capable de viser des forces americaines, en faisant tout pour que cela ait l air d un acte commis par des Palestiniens ou des Arabes. Le Washington Times indique que cette accusation tres serieuse portee par des officiers americains contre Israel figure dans un rapport de soixante-huit pages, remis par soixante officiers a l Ecole de l Armee americaine pour les Etudes Militaires Avancees.
