Excerpt from The Latter-Day Saints Millennial Star, Vol. 90: February 2, 1928 But other seeds were constantly being planted in this receptive soil - evil seeds. That war begun in heaven continued here on earth. The evil hand that led so many away from God in that primeval conflict, with his evil followers, continues here to lead mankind astray by planting evil seeds, the seeds of hate, Of greed, of avarice and lust, and these grow, too, along with the good seed. These are the weeds, the thistles and the thorns, hence the good farmer will pull them out or cut them down, lest they overrun the good and hinder its growth. This we call repentance from sin or casting the devils out. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
