Is Bitcoin Here to Stay Will the Bubble Burst The world is currently transfixed by the rise of Bitcoin. It is the King of Crypto Coins. But what is driving its exponential increase in value Is it a temporary price bubble that is about to burst Just like the Dot Com boom bubble burst Will the Bitcoin price come crashing down Will the King of Crypto Coins fall Are there other Altcoins (a term used to describe alternative coins to Bitcoin) which offer more real value and which may replace Bitcoin as the premier coin Will the successful coin of the future be one that has the backing of major Fortune 500 organizations, financial institutions and government departments This book attempts to answer these questions. The world is at the dawn of a new revolution: The Cryptocurrency revolution. Just like the industrial revolution, the information revolution and the mobile revolution, the crypto revolution will define how people and institutions will exchange money and do business with each other. The purpose of this book is to help you cut through the hype and to explain in clear and simple terms what cryptocurrency is and how you can benefit from it. There is an avalanche of misinformation out there on the internet, generated by hype and hysteria over the massive rise in value of crypto currencies. This book cuts through the hype and guides you step by step through all the concepts you need to know in order to make sound decisions about things such as: Should I invest in cryptocurrency. What is an Altcoin Altcoins vs Bitcoin. What is blockchain What is mining Should I mine crypto coins...
