## SHATTERED SUN (PAPERBACK)

Lulu.com, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Nine hundred years ago, the Sun exploded. It shattered into millions of pieces, which swirled about the cosmos and eventually plummeted into the earth. On that day, the world was plunged into an eternal twilight. Without the Sun, life became dependent on its fractured remains, the Sun Shards, for survival. They instantly became the most precious resources on the face of the earth. If you had one, you had light, heat, and the ability to grow food. If you didn't, you died a cold, lonely death. Here's the funny thing though: Life goes on. People adapt, banners change, and the world keeps spinning. In this new age there is no day and no night; just a never-ending twilight. The world is still a place of gods and monsters, but now without the sun overhead these horrors have moved into the cities and alleyways to prey at all hours of the day. This world still needs heroes, someone to bring a light into the dark places and to make sure the boogeyman stays in his closet. Do you have what it takes to shine?.
