Createspace, United States, 2013. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****.Learn the power of positive thinking! Get rid of annoying, nonsense thoughts that cause people to be miserable. Charlie never has a good day. His sister ate all of the Magic Treasures-therefore he has nothing to eat. His teacher wants him to learn dumb fractions. Charlie will never understand fractions. All the kids are laughing. They must be laughing at Charlie. Life is miserable. He finds a dandelion and makes a wish because his life stinks. A strange surfer type Troll magically appears. Dude, I can make your life way better. All you need to do is turn your nasty ANTS into amazing HAWKS. You have ANTS crawling out of your thoughts all day long. They are just invisible to you. Charlie doesn't get it, so Troll rewinds his day. Eww! Gross. There is a big ANT on me! shrieks Charlie, Get it off! The strange troll tells Charlie, that he's the only one who can get rid of the ANTs (Annoying, Nonsense Thoughts) by learning how to change his thoughts into HAWKS (Happy, Awesome, Wonderful Knowledge). It takes lots of practice. But then. He does it! He thanks the odd little troll for the magic wish. The troll laughs. He isn't magic. The magic is in the brain. Join Charlie as he learns to change his life, by changing his thoughts. You may find that you can change your life too.
