Brand New Book ***** Print on Demand *****.Trading your way to Retirement is written to provide straightforward, easy to understand and easy to apply advice, tips and techniques that can be the backbone of any self-directed retirement investor and traders success in the financial markets. Use Trading your way to Retirement as an overview or a guide if you will, to what to study and learn first to become consistently profitable from investing and trading and how you can make every day Saturday for the rest of your natural life and be able to do it from anywhere in the world you chose to do it from. I give you concise information as to what to learn first and what to look for as far as further information is concerned. I tell you only the most critical things to learn first because those are absolutely the most important and the ones that will make you money right away if you do them as a self-directed investor and trader. The learning curve in this business and it is a business can be long, brutal and very very expensive if you learn the wrong way. Trading your way to Retirement aims to tell you how do study it the right way the first time and greatly reduce that long learning curve by showing you what the market is really made of and who are actually in control of it and when they are in control of it. When you have this information as a self-directed retirement investor and trader and can see it on a live price chart in real time and pull the trigger without hesitation you can make a lot of damn money! When you are done...
