

## Varied Perspectives on Play and Learning: Theory and Research on Early Years Education (Paperback)

By -

Information Age Publishing, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book brings together an international group of researchers reporting on their work about play and early childhood education across 13 countries - Norway, Sweden, Denmark, England, Germany, Hong Kong, United States of America, India, The Maldives, Sri Lanka, Singapore, China and Australia. It contributes to growing international conversations about play and the role of play in early childhood education. Each of the chapters in this anthology reflects different directions in research as well as a range of approaches to reconceptualising play. Each researcher questions assumptions underpinning young children's play and early childhood education and explores the implications of these questions for further research, practice and policy. Chapters report a wide range of innovative and transformative research, focusing on areas such as the play of infants and toddlers, the role of values in play, the complexity of connections between play and learning, motivation, the role and understandings of early childhood educators in promoting children's play, risky play and the impact of Westernised approaches to play in different contexts. This book argues for the importance of children's play at...

### Reviews

*It is one of the best ebooks. It is one of the most incredible pdfs I actually have to go through. I am just easily going to get a satisfaction of looking at a composed book.*  
-- **Elisha McCullough**

*This ebook is indeed gripping and fascinating. It is definitely simplistic but excitement from the 50% of your book. You won't sense monotony at any time of your own time (that's what catalogs are for relating to should you check with me).*
