Simon & Schuster. Hardcover. Condition: New. 256 pages. Dimensions: 0.0in. x 6.1in. x 9.1in. From the author of *The Handbook for Lightning Strike Survivors*, which *Library Journal* called, ripe for Oprah or fans of Elizabeth Berg or Anne Tyler, comes a magical novel about a family of women separated by oceans, generations, and war, but connected by something much greater: the gift of wings. On March 29, 1973, Prudence Eleanor Vilkas was born with a pair of wings molded to her back. Considered a birth defect, her wings were surgically removed, leaving only the ghost of them behind. At fifteen years old, confused and unmoored, Prudence meets her long-estranged Lithuanian grandfather and discovers a miraculous lineage beating and pulsing with past Lithuanian bird-women, storytellers with wings dragging the dirt, survivors perched on radio towers, lovers lit up like fireworks, and heroes disguised as everyday men and women. Prudence sets forth on a quest to discover her ancestors, to grapple with wings that only one other person can see, and ultimately, to find out where she belongs. *Above Us Only Sky* spans the 1863 January Uprising against Russian Tsarist rule in Eastern Europe to the fall of the Berlin Wall, and Lithuania gaining its independence in 1991. It is a story of mutual understanding between the old and young; it is a love story; a story of survival, and most importantly a story about where we belong in the world. This is a raw, beautiful, unforgettable book (Lydia Netzer, bestselling author of *Shine, Shine, Shine*). This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.
