The drug companies in collusion with the FDA, Federal Government, American Medical Association, American Cancer Society, American Diabetes Association, et al, have created a ruthless monopoly on the medical system. They are suppressing natural cures for cancer, MRSA and more. They re inventing fake scientific studies and perpetuating myths such as HIV Causes AIDS and Cholesterol Causes Heart Disease, inventing phony disorders such as ADHD, pushing deadly toxic vaccines and lying about their safety and efficacy + much, much more, all in an effort to maintain their control, push more drugs, increase their sales and maximize profits. The truth is that they are killing millions of people per year under the guise of healing people with unnecessary drugs, surgeries and so-called treatments. Virtually all health concerns are manageable through diet, nutrition and natural supplements, including cancer. This book will provide you with key information needed to become your own doctor and escape the brutal and inhumane medical monopoly where profits come first and the health of the people comes last. This book will show you how to reclaim your power and your health. This book represents the new paradigm of nutrition, not drugs, for health.
