Child of War, is based on a combination of real stories and events from my year filming child soldiers for the charity, SOS Children's villages. An eleven year old, Sudanese boy is separated from his family when the local militia burn down his village. After, experiencing many atrocities as a child soldier in a brutal war, the boy finds himself walking across Sudan with a stray Donkey for company. The story captures the relationship of the child and the donkey as he tries to survive a journey through a war torn country.
