ESSAYS ON RUSSIAN NOVELISTS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.From the beginning of the first essay: RUSSIAN NATIONAL CHARACTER AS SHOWN IN RUSSIAN FICTION The Japanese war pricked one of the biggest bubbles in history, and left Russia in a profoundly humiliating situation. Her navy was practically destroyed, her armies soundly beaten, her offensive power temporarily reduced to zero, her treasury exhausted, her pride laid in the dust. If the greatness of a nation consisted in the number and size of its battleships, in the capacity of its fighting men, or in its financial prosperity, Russia would be an object of pity. But in America it is wholesome to remember that the real greatness of a nation consists in none of these things, but rather in its intellectual splendour, in the number and importance of the ideas it gives to the world, in its contributions to literature and art, and to all things that count in humanity's intellectual advance. When we Americans swell with pride over our industrial prosperity, we might profitably reflect for a moment on the comparative value of America's and Russia's contributions to literature and music. At the start, we notice a rather curious fact, which sharply differentiates Russian literature from the literature of England, France, Spain, Italy, and even from that of Germany. Russia is old; her literature is new. Russian history goes back to the ninth century; Russian literature, so far as it interests the world, begins in the nineteenth. Russian literature and American literature are twins. But there is this strong contrast, caused partly by the difference in the age of the two nations. In the early years of the nineteenth century, American literature sounds like a child learning to...
