CROSSWAY BOOKS, United States, 2003. Hardback. Condition: New. Sergio Martinez (illustrator). Language: English . Brand New Book. Bess Stovall is famous for being famous. When it comes to Wemmicks, she s the best, they say. Who wouldn t want to join her Wonderful Wemmicks Club? The catch is this: only Wemmicks made of maple can join-the best wood from the best forest. But Punchinello can t join since he is made of willow. Willow is weak wood, says Bess. No one wants to be a willow. And Punchinello is the only willow in Wemmicksville. Everyone looks down on him, even his friend Lucia. Punchinello learns a valuable lesson when Eli the woodcarver helps him see that he is special because the Maker made him-the Maker even chose his wood. This latest tale from Wemmicksville will surprise you as Punchinello himself shocks the town with how special he really is.
