Building Sensory-Friendly Classrooms to Support Children with Challenging Behaviors: Implementing Data-Driven Strategies

By Rebecca Moyes

Future Horizons, Inc, 2010. Softcover. Book Condition: New. Rebecca Moyes, a teacher, author, lecturer, and mother of a child with Asperger's syndrome, helps walk any regular education or special education teacher through the process of setting up a sensory friendly classroom in this easy to use book. This is currently the only book that discusses the importance of data driven strategies, and then helps teachers implement them! Sensory integration disorder often presents as a behavioral problem; thus, although it's an internal state, it has to be addressed based on what observable behaviors are seen in the child. Rebecca is able to take the data and work out how to make any student's, (and teacher's!), life easier. Mrs. Rebecca Moyes, a former teacher for nine years in public and private schools, is the mother of two children. Her oldest is diagnosed with Asperger's syndrome. Rebecca is currently an autism consultant/trainer for several school districts in Pennsylvania, USA, and serves as the director of a therapeutic center in New Kensington, PA for children with disabilities. Rebecca has published Incorporating Social Goals in the Classroom -- A Guide for Teachers and Parents of Children with High-Functioning Autism/Asperger's syndrome, which focuses on practical strategies...
