Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Illinois Clay Resources for Lightweight Ceramic Block Most of the papers mentioned above were interested in the lightweight ceramic block as a finished product. The purpose of this investigation is to study the bonding properties of various clay minerals in Illinois, after being fired, and to describe possible locations of clay materials that would be useful in the manufacture of light weight ceramic block. In many respects, however, the finished products and raw materials cannot be considered separately. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
