

Moral Gravity: Divine Law to Fallen Man Saint (Paperback)

By Paul a Chintapalli

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Man makes external things beautiful and better, but his sinful bent needs a constant check from an absolute standard. That absolute standard is the Moral Law of God, critical for man s code of conduct to have a peaceable family, civic communities and nations to survive. It holds him accountable as it is deeply embedded in the multitude of laws in every nation. When that standard is removed from the public arena, a nation or a family loses it s moral pinning and gradually deteriorates towards chaos and anarchy. Secondly, if you re a Christ believer, don t be deceived that you are no longer constrained by the Moral Law now that you re saved. It holds you accountable. You should be the first one to uphold it in your own life and in the society. Moral Law is the anvil, which makes or breaks a family or a nation. There is no middle ground!.
