## LA FINANCE ISLAMIQUE: UNE RÉPONSE À LA CRISE?

[DOWNLOAD](#)

Condition: New. Publisher/Verlag: Éditions universitaires européennes | La finance islamique est d'origine lointaine. Elle est basée sur des fondements religieux et d'autres économiques. Ses principes ainsi que ses fondements lui permettent de s'organiser à partir d'un système financier dans lequel on trouve le marché, la banque et l'assurance. Plusieurs facteurs tels que le choc pétrolier, l'implantation des banques occidentales dans les pays islamiques et la multiplication des crises sont derrière son développement. Elle s'attache à la finance éthique: son objectif n'est pas seulement la réalisation du profit, mais il répond à des critères comme le développement durable, l'environnement et la gouvernance. Pendant ces dernières années, la finance islamique fait preuve d'une certaine stabilité. Cependant, elle s'expose à des difficultés réglementaires, juridiques, socioculturelles qui empêchent son développement. Le présent travail tente à travers une étude théorique de présenter ce nouveau mode de financement et d'analyser leurs défis. La réussite en matière de stabilité financière est dévoilée à l'aide d'une étude empirique comparative entre certaines banques islamiques et classiques. | Format: Paperback | Language/Sprache: fre | 128 pp.
