Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Mary Harris Mother Jones (1837- 30 November 1930) was an Irish-born American schoolteacher and dressmaker who became a prominent organized labor representative and community organizer. She helped coordinate major strikes and cofounded the Industrial Workers of the World. I was born in the city of Cork, Ireland, in 1830. My people were poor. For generations they had fought for Ireland s freedom. Many of my folks have died in that struggle. My father, Richard Harris, came to America in 1835, and as soon as he had become an American citizen he sent for his family. His work as a laborer with railway construction crews took him to Toronto, Canada. Here I was brought up but always as the child of an American citizen. Of that citizenship I have ever been proud.
