Reviews

These sorts of ebook is the perfect publication accessible. I really could comprehend every little thing out of this created e ebook. I am very happy to inform you that this is basically the very best ebook i actually have study within my personal life and might be he finest pdf for ever.

(Favian O'Kon)

THE DEMON OF HISTLEWICK DOWNS

Douglas J. Bornemann. Paperback. Condition: New. 338 pages. Dimensions: 8.0in. x 5.2in. x 0.8in. A new age of enlightenment has dawned, and the city of Caprian is among the first to embrace its promise. At its heart a new appreciation for the vast potential of the marriage of magic to reason, and Thoren Theratigans family is poised to reap the rewards. Though his father cant cast an actual spell to save his life, his nuanced knowledge of magic theory nonetheless places his services in high demand until strange men burst into the family shop and drag both of Thorens parents off as heretics. Alone and desperate, Thoren finds help where he least expects it, and hes determined to leverage his good luck to attempt his parents rescue. Armed only with a mysterious pocket watch and a fraction of his fathers esoteric knowledge, Thoren must finesse both savvy Inquisitors and dangerous heretics in situations where almost no one is who he seems to be. The Demon of Histlewick Downs is the story of a young man who strives for honor in a complex world where the fine line separating right from wrong, magic from reason, is neither bright nor particularly clear, and where determination without subtlety can quickly turn deadly. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
