Carcenet Press Ltd, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book. Taking Mesopotamia was originally inspired by Jenny Lewis s search for her lost father - the young South Wales Borderer who fought in the ill-fated Mesopotamian campaign of World War I. Through reconstructed diary extracts, witness statements, formal poems and free verse, the book extends into a wider exploration of the recent Iraq wars. It also includes translations of a number of the poems into Arabic, and photographs taken by Lewis s father on campaign in 1916. Woven throughout the book is a strand inspired by The Epic of Gilgamesh, whose themes of hubris, abuse of power and fear of death show us how little the world has changed in four thousand years.
