Forgotten Books. Paperback. Condition: New. 324 pages. Dimensions: 9.0in. x 6.0in. x 0.7in. Sorrentine peninsula offers a striking contrast to the northern side. To wards the north the mountain opens into a broad basin, filled to the brim with soft tufo rock, upon which the vegetation of ages has deposited a deep and fertile soil. The hills slope gently to the cliffs which overhang the bay of Naples and they seem to bear in their outstretched arms a rich offering of Nature sfairest gifts for the queen city of the south. The orange and the lemon, the olive and the walnut elbow each other for a footing in the fat dark earth; and where there is not room for them, the holes and crannies of the walls shoot out streamers of roses and thrust forth nosebags of white-flowered myrtle. West ward from the enchanted garden of Sorrento the rocky promontory juts far into the sea, so that only a narrow channel, scarcely three miles wide, separates the mainland from sea-girt Capri, towering up from the blue water and rearing his rocky crest to heaven like some enormous dragon-beast of fable. (Typographical errors above are due to OCR software and dont occur in the book. )About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology.
