Fiddle Song, Bk 1: A Sequenced Guide to American Fiddling (Violin), Book CD (Paperback)

By Crystal Plohman Wiegman

Alfred Music, 2017. Paperback. Condition: New. Language: English . Brand New Book. This collection of beloved standards from traditional American fiddling literature will introduce young players to an aspect of string playing that is motivational, fun, and pedagogically appropriate. Intended to be used in tandem with other string methods, Fiddle Song is carefully sequenced in a step-by-step way to accompany beginning instruction. Singing the tune first provides a framework for the instrumental instruction. The left-hand pages of the book are for students. The right-hand pages have information for the teacher, parts for advanced students, and easy ensemble parts. Each tune includes melody, breaks, back-ups, kick-offs, tags, guitar chords, ensemble parts, and creative exploratory activities. Piano accompaniments are available. The series works for like instrumentation or mixed instrumentation. The violin book is generally in the keys of A and D while the viola and cello/bass books are in the keys of D and G, a fifth lower. Innovative ensemble parts allow each instrument to accompany the others in mixed instrumentation, from duos up to string orchestra. Kick-offs can be used to transition to the new key if all strings are playing together.
