

Ethnic Diversity in European Labor Markets: Challenges and Solutions (Hardback)

Filesize: 8.99 MB

Reviews

This pdf may be really worth a read, and superior to other. It generally does not price too much. Once you begin to read the book, it is extremely difficult to leave it before concluding.

ETHNIC DIVERSITY IN EUROPEAN LABOR MARKETS: CHALLENGES AND SOLUTIONS (HARDBACK)

DOWNLOAD

Edward Elgar Publishing Ltd, United Kingdom, 2011. Hardback. Book Condition: New. 236 x 157 mm. Language: English . Brand New Book. This highly accessible book illustrates how policy makers can address and nurture the effects of growing ethnic diversity in European labor markets. The contributors present an unprecedented large-scale study on ethnic diversity in European labor markets via a combination of hard data analysis with expert evaluation of integration practices and policy options. Key questions explored include: * Does ethnic diversity in European labor markets lead to poor socio-economic outcomes for some ethnic groups in the face of fierce competition for jobs and welfare? * Can labor immigration and improved integration of all ethnic groups provide a solution to the challenges posed by a shrinking population, an aging workforce, skill shortages and other bottlenecks that constrain the innovative potential of the EU? * What can policy makers do to nurture and encourage the benefits of ethnic diversity in the EU? This indispensable guide will be warmly welcomed by academics, students, policy makers, analysts and researchers with an interest in economics, European studies and labor studies. It will be especially insightful for those with a particular commitment to managing ethnic diversity in European labor markets.
