Masterly on the way philanthropy works. -The New York Observer For more than a century, the United States has stood as a beacon of prosperity and democracy, proof that big business and big dreams could flourish side by side. Yet few Americans realize the crucial role that generosity plays in keeping that fragile balance. A leading voice for community development, scholar and former Connecticut College president Claire Gaudiani examines the crucial role of philanthropy in American prosperity. She traces the entrepreneurial spirit of altruism, finding that generous gifts have powerfully invested in the most critical ingredients of the American economy: people, property, and ingenuity. Rather than pitting the capitalists against the populists, Gaudiani draws a blueprint for a just future, full of opportunities, based on giving. The Greater Good is a passionate, pragmatic, and optimistic manifesto for revitalizing the promise of the American economy. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
