OUTSIDE DAYS

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Language: English . Brand New. Max Hastings is best known as an acclaimed journalist and military historian. But what is perhaps less well known is his love of the countryside and its pursuits, above all fishing and shooting, which he indulges as often as he can escape his urban working environment. In this classic selection of gentle, contemplative musings, Max Hastings shares some of his favourite rural moments; tramping the snipe bogs of Waterford; dogging hedges in Hampshire and moors in Sutherland; casting a fly from Scotland to Iceland and Alaska; and shooting in India and the west of Ireland. Combining a journalist's knack for storytelling with the enthusiasm of the dedicated amateur, *Outside Days* is the perfect companion for anyone who revels in the freedom of the outdoors. Max Hastings is an acclaimed journalist and author of over 20 books. He is renowned for his works of military history, such as *Bomber Command* and *Das Reich*. But he is a country boy at heart and he enjoys fishing and shooting as often as he can escape to the great outdoors.
