

## Beyond Civilization (Paperback)

By Daniel Quinn

Random House USA Inc, United States, 2001. Paperback. Condition: New. Pbk. Language: English . Brand New Book. In Beyond Civilization, Daniel Quinn thinks the unthinkable. We all know there s no one right way to build a bicycle, no one right way to design an automobile, no one right way to make a pair of shoes, but we re convinced that there must be only one right way to live -- and the one we have is it, no matter what. Beyond Civilization makes practical sense of the vision of Daniel Quinn s best-selling novel Ishmael. Examining ancient civilizations such as the Maya and the Olmec, as well as modern-day microcosms of alternative living like circus societies, Quinn guides us on a quest for a new model for society, one that is forward-thinking and encourages diversity instead of suppressing it. Beyond Civilization is not about a New World Order but a New Personal World Order that would allow people to assert control over their own destiny and grant them the freedom to create their own way of life right now -- not in some distant utopian future.
