## Successful Change: How to Implement Change Through People

By David Miller

BookPod, Australia, 2011. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Synopsis: The trouble with change management is that there is an awful lot written and discussed about the failure rate of change projects. But how do you implement major change successfully? With Successful Change, you ll understand how organisations and people connect, and learn how to successfully facilitate change when people have to adopt new ways of working that are a significant departure from their current practices. Successful Change will help you understand how a people-centred change methodology can: / Help successfully implement change / Energise your organisation around the change / Build leadership support / Engage others to make the transition stick Author Bio: David Miller has spent the last 25 years helping organisations implement major change. He has extensive expertise in directly managing major changes including strategy implementation, technology implementation, business process changes, restructuring and quality management. In 1995, David founded Changefirst, to help businesses build competitive advantage through creating and sustaining organisational change capability. Through 25 years experience of change implementation, David has developed a deep belief that to successfully change, organisations must build their own...
