BEYOND WORDS

Henry Holt & Company Inc. Hardback. Book Condition: new. BRAND NEW, Beyond Words, Carl Safina, Long before his work as an ocean conservationist, Carl Safina's childhood by the long island shore launched a life-long passion for animals. Since then, his collected work has sought to inspire respect and improved understanding for wildlife. In his wise and passionate new book, Safina delves deeply into the lives of animals, witnessing their profound capacity for perception, thought, and emotion. Weaving observation with new understanding of brain functioning, his narrative erases many previously held distinctions between humans and other animals. Who we are as individuals depends on who we are to others, and on who others are to us. Relationships define us. Certain non-humans, too, live lives focused around rich social relationships. If tragedy befalls key individuals, survivors confront lasting repercussions. Like us, these animals know who they are. In Beyond Words, readers travel from Kenya to visit the Sheldrake elephant orphanage, to Yellowstone National Park to observe free-living wolves sorting out the aftermath of their personal tragedy, to the whales of Hero Strait off of Vancouver. Safina delivers a graceful examination of how animals truly think and feel, which calls to question what really does -and should- make us human.
