

Anthrax Attacks Around the World (Terrorist Attacks)

By Hasan, Tahara

Rosen Pub Group, 2003. Library Binding. Condition: New. 082393859X Library Journal Gr 4-8-These limited overviews provide background information for intermediate and reluctant readers. However, the first book is somewhat uneven. The introduction contains much geographical information, but there is no accompanying map. Later in the book, there is a small map, but the print is unreadable. The description of the actual attack and its aftermath, however, makes gripping reading. Pentagon includes an account of the building's partial destruction on 9/11. Interested readers will learn how the remodeling at the time may have saved lives. There is a good summary of how Al Qaeda is believed to function. Anthrax has a clear description of the biological weapon, what it is, and how it works. One-quarter of the book describes its historical use as a terrorist tool in the Soviet Union and Japan. All three titles have pertinent charts and a variety of average-quality, color and black-and-white photos. Lists of Web sites and related print materials will help put these historic events in perspective.-Karen Sutherland, Bartlett Public Library, IL Copyright 2004 Reed Business Information. Annotation Most of us never thought about anthrax until the mailing of several anonymous anthrax-tainted letters drove fear...

Reviews

This publication is great. It really is packed with knowledge and wisdom Your daily life period will probably be transform when you complete reading this article book.

-- **Wilford Metz**

This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Prof. Adell Lubowitz**
