Reviews

A must buy book if you need to adding benefit. It really is writter in easy terms instead of difficult to understand. I found out this ebook from my dad and i advised this publication to find out.
(Prof. Elton Gibson I)

DEAD END IN NORVELT NORVELT SERIES

Square Fish. Paperback. Book Condition: New. Paperback. 384 pages. Dimensions: 7.6in. x 5.1in. x 1.1in. Dead End in Norvelt is the winner of the 2012 Newbery Medal for the years best contribution to childrens literature and the Scott O'Dell Award for Historical Fiction! Melding the entirely true and the wildly fictional, Dead End in Norvelt is a novel about an incredible two months for a kid named Jack Gantos, whose plans for vacation excitement are shot down when he is grounded for life by his feuding parents, and whose nose spews bad blood at every little shock he gets. But plenty of excitement (and shocks) are coming Jacks way once his mom loans him out to help a feisty old neighbor with a most unusual choretypewriting obituaries filled with stories about the people who founded his utopian town. As one obituary leads to another, Jack is launched on a strange adventure involving molten wax, Eleanor Roosevelt, twisted promises, a homemade airplane, Girl Scout cookies, a man on a trike, a dancing plague, voices from the past, Hells Angels . . . and possibly murder. Endlessly surprising, this sly, sharp-edged narrative is the author at his very best, making readers laugh out loud at the most unexpected things in a dead-funny depiction of growing up in a slightly off-kilter place where the past is present, the present is confusing, and the future is completely up in the air. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
