Nowadays pasta has become a very popular food all over the world. It is very easy to cook and comes in a variety of types and shapes that can be topped with many different sauces. For these reasons you can eat pasta again and again without ever getting tired of it. Pasta is healthy and it is carbs for the brain and energy for daily activities. Fabsters fabulous 30first quickies is a collection of quick simple pasta recipes that can be prepared in the time it takes to cook the pasta al dente. The organization of this booklet resembles a typical scientific report with a Materials and Method section containing directions on what are considered Essential or Optional utensils and cookware to cook pasta; a Dosage section with info on pasta portions and ratios with basic sauces; a short Vocabulary explaining the meaning of commonly used terms; a two-page Grocery checklist and the recipes. This booklet collects 30 recipes, the number of days in most months. Several recipes also come with one or more suggested variants so that if users have a quickie a day they can extend diversity beyond the 30 days. At the end of each recipe a section entitled Your own variant followed by a few blank lines to encourage users of this pamphlet to devisedevelop their own variant of the recipe. 30first quickies is a small booklet that does not take too much space in a kitchen, but it will turn out as a handy guide to get ideas for preparing a tasty pasta dish in a short time span. It should help men and women, either singles, families, college students or busy urban professionals pressed...
