Reviews

Absolutely essential study book. It normally is not going to charge excessive. I am delighted to inform you that this is basically the finest ebook we have study during my very own lifestyle and can be he greatest publication for at any time.
(Dr. Willis Paucek II)

PRIVATE ACTION AND THE PUBLIC GOOD

Yale University Press, 1998. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Governments around the world are turning over more of their services to private or charitable organizations, as politicians and pundits celebrate participation in civic activities. But can nonprofits provide more and higher-quality services than governments or for-profit businesses? Will nonprofits really increase social connectedness and civic engagement? This book, a sequel to Walter W. Powell's widely acclaimed *The Nonprofit Sector: A Research Handbook*, brings together an original collection of writings that explore the nature of the "public good" and how private nonprofit organizations relate to it. The contributors to this book -- eminent sociologists, political scientists, management scholars, historians, and economists -- examine the nonprofit sector through a variety of theoretical and methodological lenses. They consider the tensions between the provision of public goods and the interests of members and donors in nonprofit organizations. They contrast religious and secular nonprofits, as well as private and nonprofit provision of child care, mental health services, and health care. And they explore the growing role of nonprofits in the United States, France, Germany, and Eastern Europe, the contribution of nonprofits to economic development, and the forms and strategies of private action. "This volume addresses an extremely important topic from an academic standpoint and from a public policy perspective -- how nonprofits might contribute to the collective good, why they often fail, and some of the consequences for the larger society of their pursuit of the public good". -- Joseph Galaskiewicz, University of Minnesota.
