Rapid Dominance: Integrating Space Into Today's Air Operations Center: Wright Flyer Paper No. 11

By Major, USAF, Mark E. Harter

Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 56 pages. Dimensions: 9.0in. x 6.0in. x 0.1in. Rapid dominance the ability of forces to exploit information and quickly destroy critical targets is the key in controlling the battle space of future warfare. The ability to rapidly gain information, analyze it, and use it to make sound military decisions is key to military domination and victory. Huge volumes of critical war-fighter information speed through the space medium to reach their destinations at the strategic, operational, and tactical levels. Information provided via space systems is crucial to military planning and executing aerospace operations through the entire spectrum of conflict and therefore a key to any future military operation. Unfortunately, potentially greater space power contributions are often limited due to a lack of space mindedness by military leaders, planners, and operations during theater campaigns. This paper identifies the importance and legitimacy of space as a center of gravity and military war-fighting medium, focusing on the realm of the joint air operations center (JAOC). It defines five key areas (with practical suggestions) that the Department of Defense needs to address in order to integrate space into military operations: space training, doctrine, equipment,...
