

Journey of the Universe

By Brian Thomas Swimme, Mary Evelyn Tucker

Yale University Press. Paperback. Book Condition: new. BRAND NEW, Journey of the Universe, Brian Thomas Swimme, Mary Evelyn Tucker, Today we know what no previous generation knew: the history of the universe and of the unfolding of life on Earth. Through the astonishing combined achievements of natural scientists worldwide, we now have a detailed account of how galaxies and stars, planets and living organisms, human beings and human consciousness came to be. And yet we thirst for answers to questions that have haunted humanity from the very beginning. What is our place in the 14-billion-year history of the universe? What roles do we play in Earth's history? How do we connect with the intricate web of life on Earth? In Journey of the Universe Brian Thomas Swimme and Mary Evelyn Tucker tell the epic story of the universe from an inspired new perspective, weaving the findings of modern science together with enduring wisdom found in the humanistic traditions of the West, China, India, and indigenous peoples. The authors explore cosmic evolution as a profoundly wondrous process based on creativity, connection and interdependence, and they envision an unprecedented opportunity for the world's people to address the daunting ecological and social challenges...
