Little, Brown Book Group, United Kingdom, 2010. Paperback. Book Condition: New. 196 x 122 mm. Language: English . Brand New Book. The weather magic that holds the kingdom of Lur safe is failing, and the earth feels broken to those with the power to see. Among Lur s sorcerers only Asher has the skill to mend the antique weather map that governs the seasons, keeping the land from being crushed by natural forces. Yet when Asher risks his life to meddle with these dangerous magics, the crisis is merely delayed, not averted. Asher s son Rafel has inherited his father s talents, but has been forbidden to use them. Many died in the last Mage War and these abilities aren t to be loosed lightly into the world. But when Asher s last desperate attempt to repair the damage leaves him on this deathbed, Rafel s powers may not be denied. For his countrymen are facing famine, devastation and a rift in the very fabric of their land.
