iUniverse.com. Paperback. Book Condition: New. Paperback. 152 pages. Dimensions: 8.4in. x 5.4in. x 0.6in. Capturing powerful memories of growing up in a large, remarkable, and sometimes surreal household, *Objects in Mirror Are Closer than They Appear* provides a glimpse of what life was like for author Pauline A. G. Johansen, one of twelve children in an immigrant, Catholic family. In this memoir, Johansen presents a collection of stories gleaned from living in a large family, where nothing is sacred and the unusual is seen as typical. The story *Getting to Know the Virgin* describes growing up Catholic in the 1950s and 60s. *Once Upon a Time* tells how house fires became a way of life. *Poor is a Four-Letter World* shares tales of camping trips that went very wrong. Both heartbreaking and humorous, the stories in *Objects in Mirror Are Closer than They Appear* are remembrances of events that occurred, an attempt to make sense of why they happened, and a family's responses to both the tragic and the mundane. It explores the past with a view to answering the question, How did I get here? It also demonstrates there are many ways to be family. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
