RELIGIOUS DIVERSITY AND CHILDREN S LITERATURE (PAPERBACK)

Information Age Publishing, United States, 2011. Paperback. Condition: New. Annotated edition. Language: English . Brand New Book ***** Print on Demand *****.A volume in International Social Studies Forum: The Series Series Editors Richard Diem, University of Texas at San Antonio and Jeff Passe, Towson University There may be no topic that is more controversial in our country and in our schools than religion. Changing demographics and the evolving relationship between religion and politics have resulted in conflicts concerning teaching about religion, teaching about evolution, and prayers at graduation. In spite of laws and policies designed to clarify these challenges, the relationship between religion and the schools remains a powerful and conflicted issue. And yet, religious literacy is essential for people of all ages to understand historical and contemporary cultures and conflicts as well as different beliefs and practices of people in our communities and around the world. Many of the concerns raised about teaching children about religion can be addressed through the use of authentic children s and adolescent literature. The traditions featured include indigenous beliefs throughout the world, Native American spirituality, Hinduism, Buddhism, Judaism, Christianity (Orthodoxy, Catholicism and Protestantism), Islam, Sikhism, and other beliefs such as Baha i, Unitarian Universalism, Humanism, and Atheism. Each chapter highlights a specific religion or spiritual tradition with a brief discussion about major beliefs, misconceptions, sacred texts, and holy days or celebrations. This summary of each tradition is followed by extensive annotated recommendations for children s...
