Tamila Greed is not happy; since the deaths of her parents she has had to live with a foster family, with an annoying foster brother, Tyree, and under a different name, Tamila Skyrence. If home is not bad enough, school is not much better. The school is called The Elements and the children are appointed to either Earth, Fire, Water, Air or Energy depending on their personality and heritage. The world has changed since the Blood Wars in 2045 when the Vampires defeated the humans. Now humans can be kept in blood banks, but there is also a new breed of halflings, half human and half vampire. In a book of the Blood Wars it is recorded that the halflings also rebelled, but after that the pages are missing. So in this young readers book A Demon s Touch Tamilla walks in a world of Vampires, Halflings, Demons and Angels, but what is she, what happened to her parents - and what is her destiny?.
