Pages Number: 206 Publisher: China Financial and Economic Publishing House a Pub. Date: 2009 - 05-01. Many scholars accustomed to using Kanban. site management. time and no inventory to illustrate concepts such as the characteristics and value of TPS. this is actually a series of dismembered the TPS concept . For decades. many companies in different countries use this method repeatedly try to import TPS. but had not achieved the desired results. The reason. TPS is more like a living body instead of a car: the parts together to make car pulled up. and the combined organ is difficult to constitute a real sense of life. Toyota s total claims on different occasions: he is not only in cars. but also in the made man. So. cars made between the TPS and there in the end what kind of logic? Learning and using the Toyota Production System by standing People only identify problems and problem-solving process in order to truly understand their own understanding of the world. the philosophical level. the TPS for a new systematic interpretation. in the heart of TPS concept was spun off to explain in simple terms it and then into our work and into all aspects of life. This makes the TPS beyond manufacturing. as a people find problems. problem-solving way of thinking. If you want to understand the overall TPS. and prepared to apply to the life and work. then the Toyota Production System for everyday living just for you to read. Author Tian Peng. from the age of 20 started to pay attention and study of Toyota. it has been 20 years. 22 years old. the author dropped out from college to...
