Paperback Language: Simplified Chinese Publisher: Overseas Chinese Publishing House; 1 (2012 February 1st). Content Introduction to a lifetime financial plan Collection (Value Platinum Edition) Introduction: Many people, especially working-class people, believe that financial management is only for the rich. They believe that financial management is their point of view. They believe that the fixed monthly wage income only to cope with daily living expenses. Where is money management? In fact, on the contrary, ordinary people should understand the importance of financial management of their own. Financial management is not a rich patent, but anyone can learn techniques and methods. Perhaps you are thinking about how to own a car, buy a dream; Maybe you're anxious to let their children enjoy better education; Perhaps you are worrying about how to live a rich life after retirement. If you want a lifetime has a rich and comfortable life, it is necessary to learn financial management as soon as possible. If you know anything about financial management, even though your income is high, but may often stretched; the contrary, if you are starting today, emphasis on financial management, and master the scientific, financial management, even if your income is not high, you may also on the well-off life. Therefore, to establish a correct concept of financial management is the door of the ordinary people to create wealth, practical financial management of ordinary people to manage their money. Collection of a lifetime financial plan (Value Platinum Edition) will tell you the most accurate financial management concepts, the most practical to make money, money, financial management methods to save money, so you easy financial management...
