Orca Book Publishers, 2013. Paperback. Condition: New. New. Language: English . Brand New Book. Danny has survived everything life has thrown at him: being abandoned at birth, multiple abusive foster homes, life as a con man in training. But when his latest protector dies suddenly, Danny has to think fast or he ll be back in foster care again. He decides to assume the identity of a boy who disappeared three years before. If nothing else, he figures it will buy him a little time. Much to his astonishment, his new family accepts him as their own--despite the fact that he looks nothing like their missing relative. But one old cop has his suspicions about Danny--and he s not about to declare the case closed. Inspired by a true story, Who I m Not is a powerful portrait of a boy whose identity is as fluid as a river and as changeable as a chameleon s skin.
