*It is in a single of the most popular ebook. It really is simplified but excitement in the fifty percent from the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.*

## THE HOLY TRINITY AND THE LAW OF THREE (PAPERBACK)

Shambhala Publications Inc, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. Just as she s done in her previous books, Cynthia Bourgeault asks us to take a look at an idea from traditional Christianity--this time the formula of Father, Son, and Holy Spirit--as though we re looking at it for the first time. And as usual, she reveals it to be something we hadn t expected at all. She finds in the idea of the Holy Trinity a striking vision of the nature of reality. What she claims, in a nutshell, is that embedded within this theological formula that Christians recite mostly on autopilot lies a powerful metaphysical principle that could change our understanding of Christianity and give us the tools so long and so sorely needed to reunite our shattered cosmology, rekindle our visionary imagination, and cooperate consciously with the manifestation of Jesus s Kingdom of Heaven here on earth. She looks to the history of Christian theology, to her own years of contemplative practice, and to the ideas of G. I. Gurdjieff. Her tone is, as ever, as accessible as it is compelling, and it s a wild ride. I will do my best to make the ride as smooth as possible, she says, but in the end, my commitment is to getting there, because I know beyond all personal doubt that there is indeed a ham radio concealed inside this Trinitarian tea cupboard. And in the midst of this long winter of our Christian discontent, when spiritual imagination and boldness are at an all-time low and the church itself hovers at the edge of demise for lack of an animating vision, perhaps now more than ever the time is ripe to remove the packing boards from this tea cupboard and release its contents.
